saying that he would be a candidate for the governorship against the Hon. Percival W. Clement and the statement is made that Mr. Clement is a candidate. In accordance with precedent the State republican convention for the nomina tion of candidates for State offices and the formulation of State issues will probably not be called until some date early in June, so that there is ample time for any number of developments in connection with the governorship contest.

### THE STATE MUSICAL FESTIVAL.

Those who have taken an active part in securing the sale of a sufficient number of seats to ensure the success of the com-Ing State music festival in Burlington, are entitled to the thanks of our people in general. A musical event like that contemplated and assured means not only promotion of a higher standard of musical taste and culture in our community, but also the advancement of the interests of

this character is indicated by the fact the development of local musical talent, and for such a cause, that the landed in-party in his own State, the demand for good voices keeps dustry of the South is beginning to feel set the demand for good voices keeps dents who may be inclined to feel that work put into musical festivals is wasted should therefore revise their opinions.

tion for the State musical festival having been provided for, it remains to awaken interest in the project in neighboring communities. That our local managers will have generous assistance in this direction
